

# **CITY OF FAYETTEVILLE**

## **FLOOD ZONE MAPS**

**June 22, 2005**

### **Notes**

1. Maps generally run from the west side of the City to the east side.
2. Shaded areas are flood zones A, AE, or X 500.
3. Maps and flood zone limits are not exact. Use them only for guidance.
4. Elevation certificates and special construction provisions are required for construction within flood zones A and AE.
5. Call the City of Fayetteville Engineering Department, 770-719-4156 or 770-719-4069, for map determinations and elevation certificates. Call the City of Fayetteville Building Department, 770-719-4068, for special construction requirements within flood zones A and AE.
